

As needed, the Brevard Academy - A Challenge Foundation Academy (BA-CFA) Board will retain attorneys to provide legal services to the school, including both legal advice and representation in litigation. Such employment shall be at the pleasure of the Board. Any attorney retained by the Board through school funds represents the legal entity of the school system.

The Board may consult with the board attorney as needed to protect the Board and school from liability. Other staff may consult with the Board attorney as determined appropriate by the Board. Board legal counsel will keep the Board and administration updated on significant legal issues and may bring forward any legal matter which counsel believes requires action by the Board and/or administration, on a Board issue and Board counsel will notify all Board members of any significant legal issues raised by Board members.
