Healthy Fundraising

Brevard Academy will limit fundraisers to produce (fruits or vegetables), non-food items or activities, eliminating unhealthy fundraisers like candy, cookie dough, and soft drink sales.

The school administration and the school nurse will designate fundraising opportunities as acceptable based on health standards set by the Mayo Clinic at <https://www.mayoclinic.org/healthy-lifestyle/childrens-health/in-depth/nutrition-for-kids/art-20049335#:~:text=Choose%20seafood%2C%20lean%20meat%20and,fruits%20%E2%80%94%20rather%20than%20fruit%20juice.>
